Dear Dr Denham

Thank you for your email of 8 March 2022 in relation to public housing development in the Inner South.

The *ACT Housing Strategy: Growing and Renewing Public Housing* program (Program) sets a plan to guide the growth, renewal, and realignment of the Territory's public housing stock for the foreseeable future. The current program will see 400 new homes added to the public housing stock and 1000 more renewed.

Housing ACT is able to meet with representatives of the GNCA to provide a high level overview of the Program and to discuss government's strategy how we are providing more public housing in Canberra. Please note that they will not be able to discuss or disclose locations to protect the privacy of public housing.

If you wish to meet with Housing ACT to discuss these matters, please contact Skye Roland at Skye.Roland@act.gov.au to arrange a suitable time.

Thank you for raising this matter with me.

Yours sincerely

Yvette Berry MLA
Minister for Housing and Suburban Development
