

Please support our Sponsors

Our sponsors make important contributions to our community, as well as well as supporting our fund-raising raffle. Many of them are having a difficult time coping with the effects of the government restrictions on social interaction, resulting from the impact of Covid 19.

The table below shows how they are faring. We encourage everyone to use their services or buy their products whenever you can, so that when the restrictions are lifted they will be able to continue to operate successfully.
